

What life changes do I need to tell my auto and home insurer about?

Got a new job, moved into a new home or sold your car? Your insurance broker may not be the first person you think to discuss your life changes with, but in certain cases it's important to notify them as soon as possible. This is because many life changes can impact your insurance premiums. In some cases, a failure to notify your insurance broker within the time period indicated on your policy could result in one of several penalties, including your insurer's decision not to renew your policy.
